THE REPURCHASE PROPOSAL

The New Repurchase Mandate will authorise the Board to repurchase on the Stock Exchange, or on another exchange recognised for this purpose by the Securities and Futures Commission and the Stock Exchange under the Code on Share Buy-backs. Shares of the Company up to a maximum of 10% of the issued share capital of the Company as at the date on which the resolution approving the New Repurchase Mandate is passed.

Based on the 8,555,307,333 Shares in issue as at the Latest Practicable Date, the Company would be allowed under the New Repurchase Mandate to repurchase a maximum of 855,530,733 Shares on the basis that there will be no variation in the number of issued Shares prior to the date of the Annual General Meeting.

REASONS FOR REPURCHASES

The Board considers that it is in the best interests of the Company and the Shareholders to have the New Repurchase Mandate. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share and/or dividend per Share and will only be made when the Board believes that such repurchases will benefit the Company and the Shareholders.

SOURCE OF FUNDS

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Bye-laws and the laws of Bermuda. Pursuant to the Companies Act, any Share repurchased under the New Repurchase Mandate would be purchased out of the capital paid up on the repurchased Shares, the funds of the Company which would otherwise be available for dividend or distribution, the proceeds of a fresh issue of Shares made for the purpose of the repurchase. The premium, if any, payable on the repurchase will be provided out of the funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company before the Shares are repurchased.

EFFECT ON WORKING CAPITAL

The Board considers that there might be an adverse impact on the working capital or the gearing position of the Company as compared with the position disclosed in the audited financial statements as at 31 December 2016 in the event that the New Repurchase Mandate is exercised in full. However, the Board does not propose to exercise the New Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, have any present intention to sell Shares to the Company under the New Repurchase Mandate in the event that the New Repurchase Mandate is approved by the Shareholders.

DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the New Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

TAKEOVER CODE

If as a result of a Share repurchased by the Company such that a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeover Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could, depending on the level of increase in his/their shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, the aggregate interest of Ms. LAU Ting and Mr. CHAN Shing (the spouse of Ms. LAU Ting), through their personal interests of approximately 5.96%, corporate interests of approximately 8.50%, in the Shares of the Company were approximately 14.46% of the Company's issued share capital. In the event that the Directors exercised in full the power to repurchase Shares which is proposed to be granted pursuant to the New Repurchase Mandate, the aggregate interests held by Ms. LAU Ting and Mr. CHAN Shing would be increased to approximately 16.06% of the issued share capital of the Company. The Directors are not aware of any consequences which may arise under the Takeover Code as a consequences of any repurchase made under the New Repurchase Mandate.
