SUCCESSFUL BID FOR GUANGDONG WELFARE LOTTERY'S BETTING TERMINAL USAGE RIGHTS AND SERVICES PROCUREMENT PROJECT

The Board is pleased to announce that GZSH, a subsidiary of the Company, has successfully won a bid for Guangdong Welfare Lottery Administration Centre's "Betting Terminal Usage Rights and Services Procurement Project"

The Group will provide 20,000 new terminals to Guangdong Welfare Lottery, along with terminal maintenance, upgrading and other related services. To date, this is the largest single terminal equipment order in China's lottery industry.

The Board of Directors (the "Board") of China LotSynergy Holdings Limited (the "Company", together with its subsidiaries, the "Group") is pleased to announce that Guangzhou San Huan Yong Xin Technology Company Limited (廣州市三環永新科技有限公司, "GZSH"), a subsidiary of the Company, has successfully won a bid for Guangdong Welfare Lottery Administration Centre's "Betting Terminal Usage Rights and Services Procurement Project". GZSH will sign the relevant contract with Guangdong Welfare Lottery Administration Centre. GZSH will provide Guangdong Welfare Lottery with 20,000 new lottery betting terminals, along with terminal maintenance, upgrading and other related services, in return for a fixed percentage of Guangdong Welfare Lottery's total computer-generated ticket game ("CTG") sales. To date, this is the largest single terminal equipment order in China's lottery industry.

Guangdong province is the top ranking province in terms of lottery sales, and Guangdong Welfare Lottery has maintained the top provincial lottery sales rank for seven consecutive years. In 2014, Guangdong Welfare Lottery's sales exceeded the RMB 20 billion mark to reach RMB 20.68 billion, achieving yet another milestone since it passed the RMB 10 billion mark in 2010, thus reflecting its solid efforts and innovative spirit. During the bidding process, Guangdong Welfare Lottery placed higher standards and demands on products, services and innovation. GZSH's win, and its ability to cater to the most rigorous service requirements of China's largest provincial lottery market, is of great significance to the Group's developments in the CTG area.

The Group holds fully independent intellectual property rights and control of its bid-winning new generation GDS688-VI lottery betting terminal, which is both reliable and secure. This product features an optimal energy saving design, ensuring low energy consumption and high performance, which has earned it the endorsement of industry experts.

Management believes that Guangdong Welfare Lottery is China Welfare Lottery's exemplar of innovative management and technology, and that it is the Group's honour to provide products and services to Guangdong Welfare Lottery. By providing mature, advanced products, and invaluable services, the Group aims to help Guangdong Welfare Lottery to further achieve new breakthroughs and developments.
