**CHINA LOTSYNERGY FURTHER WON SPORTS
LOTTERY TERMINAL PROCUREMENT PROGRAMME
FROM HENAN**

China LotSynergy Holdings Limited is pleased to announce that Lottnal, a subsidiary of the Company, has recently won a bid of 1200 KT301 standard type CTG terminals for Henan Sports Lottery Administration Centre's "2016 Sports Lottery CTG Terminal Procurement Programme". This is the second time in which Lottnal has won a single batch bid with sales volume over a thousand terminals from the province of Henan.

Henan, a leading province in China's Sports Lottery space, where lottery sales recorded continuous growth in recent years on the back of a series of reform measures including sales network expansion, management regime enhancement and innovation of technical support. In 2015, Henan province's Sports Lottery ranked among the top five provincial markets with lottery sales exceeding RMB 10 billion. Sales of Sports Lottery in Henan province grew 20.7% year-on-year to reach RMB 7.6 billion in the first eight months of 2016, far exceeding the 12.3% growth of China Sports Lottery market and the 6.1% growth of overall Chinese lottery market.

25 October 2016

Lottnal's Sports Lottery CTG terminals have been highly praised by its customers ever since Lottnal won its first bid, with a total procurement of 1,000 terminals, from the province of Henan in July 2015. A second win in the supply of Sports Lottery CTG terminals, the only tender this year in Henan Province, reflects the Group's technological strength, high quality products, sustainable innovation and professional services.

In the future, the Group will continue to provide high quality products and services to Henan Sports Lottery Administration Centre by taking advantage of the Group's vertically integrated business model, endeavor to develop its business ranging from CTG to new media lottery and strive to make contributions to the Henan's Sports Lottery market.
