**Third Win in the Supply of Sports Lottery Terminals to Gansu Province,  
kicking 2015 off to a promising start**

China LotSynergy Holdings Limited (the “Company”, together with its subsidiaries, the “Group”) is pleased to announce that Guangzhou Lottnal Terminal Company Limited (“Lottnal”), a subsidiary of the Company, has entered into a 《Government Computer Lottery Sales Terminal Procurement Project》 contract with Gansu Sports Lottery Administration Centre (“Gansu Sports Lottery”). This is the Group’s third win in the supply of terminals to Gansu Sports Lottery, kicking the New Year off to a promising start.

Since the General Administration of Sports reselected suppliers to provide Sports Lottery Computer Ticket Game (“CTG”) terminals in December 2012, the Group has consecutively secured all three orders from Gansu Sports Lottery Centre, becoming the only terminal supplier for Gansu Sports Lottery Centre thus far. Throughout its cooperation with Gansu Sports Lottery Centre, the Group’s product maturity, reliability, compatibility and after-sales services have been highly praised by its customers. Thus, this guarantee of quality has become the main basis for Gansu Sports Lottery Centre to repeatedly choose the Group. In the future, the Group will continue to diligently supply professional

technical support and product services to Gansu Sports Lottery.

In recent years, Gansu Sports Lottery has shown remarkable performance in sales growth. In 2013, sales of Gansu Sports Lottery grew by 91% year-on-year (YOY), ranking first place nationwide by sales growth. In 2014, its sales exceeded RMB2.7 billion, once again reaching new highs.

In 2014, China Sports Lottery sales grew by 33% YOY to reach RMB176.4 billion. Sales of Lotto and Digit games and Match-based games, supported by Sports Lottery terminals, were RMB99.2 billion and RMB61.5 billion respectively, representing 56% and 35% of total Sports Lottery sales respectively, becoming the driving force behind Sports Lottery's rapid sales growth and continued customer base expansion in 2014. Under these promising circumstances, the Group firmly believes that it will achieve even better sales performance in 2015.
