Successively Won Bids from Two Provinces, Maintaining the Company's
Industry Leading Position So Far This Year

China LotSynergy Holdings Limited (the "Company") is pleased to announce that a Company's subsidiary, Guangzhou Lottnal Terminal Company Limited ("Lottnal"), has successively won bids for Heilongjiang and Guangxi Sports Lottery computer-generated ticket game ("CTG") terminal procurement programmes recently. To date, the Company has claimed 30% market share of this year's total Sports Lottery terminal procurement volume nationwide, and retained its top supplier position so far this year.

Of these two provinces, Heilongjiang was a second win while Guangxi a third win. Sports Lottery sales in Heilongjiang have increased impressively in the past three years from RMB3 billion in 2012, RMB4 billion in 2013 to a new high of RMB7 billion in 2014, representing an increase of 65% compared to 2013 and took eighth place in terms of sales nationwide. Being a new strategic development focal point in the Southwestern and South Central parts of China, Guangxi has seen outstanding performance in its Sports Lottery in recent years. While nationwide lottery sales growth is slowing down this year, Guangxi's

Sports Lottery sales maintained strong growth, with an 80.6% increase year-on-year for the first seven months of 2015, claiming first place in terms of growth nationwide.

The Company has shown remarkable performance since it entered the nation's Sports CTG terminal market in 2013. To date, its market share has grown rapidly by providing products and services to almost half of the provinces and regions across the nation. The Company has become a major participant in the nation's Sports Lottery market. It will continue to enhance its corporate value and competitiveness to maintain its industry leading position.
