

China LotSynergy Expands KENO Operations to Eight Chinese Provinces

* * *

CLS-GTECH Company Limited (“CLS-GTECH”), a joint venture of **China LotSynergy Holdings Limited** (the “Group”) and GTECH Corporation, has been approved by the Ministry of Finance to expand KENO operations to eight provinces in China. The first batch of approximately 2,000 KENO terminals are dispatched and already in the hands of related government bodies and will be ready for operation after final stage installation is completed.

The eight provinces are Hebei, Shanxi, Liaoning, Shandong, Hunan, Guangdong, Sichuan and Gansu and together they account for 40% of all welfare lottery sales in China. Among them, Guangdong, Shandong and Liaoning are the country’s top welfare lottery sellers in the first eight months this year.

CLS-GTECH is undertaking final stage work including connection of terminals for rolling out the new KENO operations.
